INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

Documents relating to the above-referenced application are submitted herewith. The following information is intended for the Examiner's information and for citation with the instant case. This submission does not constitute either a representation that a thorough search has been made or an admission that the documents cited herein are properly citable against the above-captioned application. Any comments which may accompany the documents are believed to constitute a fair representation of the pertinence of said documents. However, these comments are not intended to take the place of the Examiner's independent consideration of each document. An attached PTO Form 1449 lists these documents.
